

## Ann Lewis RCA Linocutting Masterclasses

I currently provide Masterclasses on a one-to-one basis in my own studio and for small groups of up to 5 people in their own homes, studios or venues.

When a Masterclass is run in my own studio, tea/coffee biscuits etc. are provided on a half day course and a light lunch is included in the full day. I am happy to bring my Masterclass to a group or individual and have a press which is transportable and quickly assembled. A group might hire a village hall or similar. A one-to-one can easily be done on a large kitchen table.

Most of my Masterclasses are held within an hour's drive of home but I'm more than happy to be flexible and willing to travel further if you live somewhere interesting which might lead to a new linocut!

### Times and costs

The cost of a full day Masterclass is **£200** and **£100** for a half day +mileage if I travel to the group or individual within an hour of my home base.

ALL materials are provided.

This cost covers a maximum number of 5 people.

A one-to-one Masterclass is the same cost but the tuition is much more intensive and tailored for the individual.

Half days run from 10am – 1pm

Full days are 10am – 4.30pm (with a 30 minute lunch break)

### Types of Masterclass

I offer several types of workshop from Absolute Beginners, to intermediate, improvers, and so on.

I also provide tailored days, where the group or an individual wants to focus on a particular aspect of linocutting.

I can also (usually) assist in resolving any technical or process based linocutting problems.

Please let me know what type of course you are interested in or a description of your requirements when you complete the online form - thank you.
